

A diagram of a circular component, possibly a valve or a plug, mounted on a base. The component is a circle with a vertical centerline. The left half of the circle is shaded with diagonal lines. The right half is divided into two quadrants: the top-right quadrant is shaded with diagonal lines, and the bottom-right quadrant is white. The component is mounted on a base consisting of two vertical supports and a horizontal base plate. The base plate is shown in a cross-section view, with dashed lines indicating internal features. The entire assembly is shown in a cross-section view, with a vertical centerline passing through the middle of the circle.

ELEV.

3. HOPS=HEIGHT OF PIPE SHOE, LOPS=LENGTH OF PIPE SHOE.
